Attorneys for Defendants Rimini Street,  
 Inc., and Seth Ravin

**UNITED STATES DISTRICT COURT**

**DISTRICT OF NEVADA**

ORACLE USA, INC., a Colorado corporation;  
ORACLE AMERICA, INC., a Delaware  
corporation; and ORACLE INTERNATIONAL  
CORPORATION, a California corporation,

Plaintiffs,

v.

RIMINI STREET, INC., a Nevada corporation;  
AND SETH RAVIN, an individual,

Defendants.

Case No. 2:10-cv-0106-LRH-PAL

**JOINT STATEMENT OF THE CASE**

---

1 Pursuant to the Court’s August 14, 2015 Order Regarding Trial, Plaintiffs Oracle USA,  
2 Inc., Oracle America, Inc., and Oracle International Corporation (together, “Oracle” or  
3 “Plaintiffs”) and Defendants Rimini Street and Seth Ravin (together, “Rimini”) jointly submit  
4 the below Statement of the Case:

5 This is a case brought by Oracle against Defendants Rimini Street and Seth Ravin,  
6 Rimini Street’s founder and CEO. Oracle was founded in 1977, and Oracle develops and  
7 licenses computer software, and offers maintenance and support services at an additional annual  
8 fee for its software. Rimini Street was founded by Mr. Ravin in 2005, does not develop and  
9 license computer software, and only sells maintenance and support services for Oracle software  
10 and other companies’ software.

11 Four of Oracle’s software product lines are at issue: PeopleSoft, JD Edwards, Siebel, and  
12 Oracle Database. Businesses, non-profits, and government entities use this software to run their  
13 organizations and handle complex tasks, such as payroll, accounting, or sales. Oracle owns  
14 copyrights on software and support materials for all four of these product lines. Oracle has  
15 asserted claims against Rimini for copyright infringement of Oracle software and related  
16 materials, unlawful access to Oracle’s computer systems, and unlawful interference with  
17 Oracle’s customer relationships, and other claims. Oracle contends that Rimini obtained  
18 customers from Oracle through these unlawful actions. Rimini, by contrast, contends that  
19 Oracle’s clients left Oracle Support Services and switched to Rimini Support Services for a  
20 variety of reasons having nothing to do with Rimini’s alleged unlawful actions in this case.  
21 Based on the evidence presented during this trial, you will decide-whether it is more likely than  
22 not that Rimini Street is liable for each claim, and if so, you will be asked to decide on a  
23 corresponding amount of damages that should be awarded to Oracle.
